KEYSTONE: DEGUSTATION LOUNGE

Designed by IQ Commercial

PLN GROUP

DeguStation Lounge provides open collaborative work space for five to ten users.

The unit can easily be scaled up or down in size by adding or removing "ingredients" depending on current needs.

Can be reconfigured by adding additional seating or desking depending on requirements.

The soft, upholstered walls absorb noise common in today's open-plan office and provide shelter from both visual and acoustic distractions.

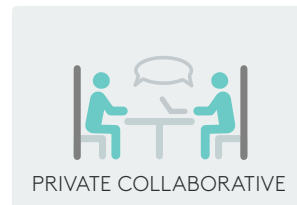

Ingredients

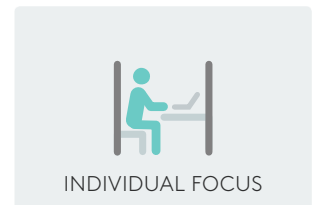

Dimensions 4,080L x 1,300D x 1,300H
450H Seat
