FLAX CUBE

Designed by Lucy Tupu

Dimensions 400L x 400W x 400H

About Lucy Tupu's flax cube is a contemporary take on traditional Maori weaving techniques that echoes her own personal Pacific Island heritage.

Its frame is made from solid New Zealand timber.

Perfect for the home or office, Flax cubes provide informal seating for the office or home.

Specifications

- Constructed of solid plywood frame with layered commercial grade foam

Options

- Available in a variety of fabrics.
- Also available as an ottoman and daybed.

Designed and made in New Zealand.
