## About

Inspired by a nautilus seashell, the kit-set Nautilus Lampshade rolls back into itself to mimic the complex organic form of the nautilus shell.

Made from architectural bamboo ply (FSC) and Ecooustic Felt (EPD). Parts are nested tightly together when cutting to minimise material waste.

Comes flatpacked to minimise packaging materials and to reduce its size for transport.

Note: Does not come with cordset or bulb. We can supply on request.

**Dimensions** Small: 420H x 310W x 370L  
Large: 500H x 360W x 445L

**Volume** Small: 1.3kg  
Large: 1.5kg

**Gross Weight** Small: 0.0048 CuMtr  
Large: 0.0048 CuMtr

**Features** Available as standard in a choice of three colours Sea Grass, Ocean and Pebble.  
Other colours available on request (surcharge and minimum order quantities may apply).  
Two sizes - small or large.

Made from FSC and PEFC certified Scandinavian birch.  
Ships flatpacked. Assembly required.  
Comes with cord and ceiling rose.
