About

Inspired by a nautilus seashell, the kit-set Nautilus Lampshade rolls back into itself to mimic the complex organic form of the nautilus shell.

Made from architectural bamboo ply (FSC). Parts are nested tightly together when cutting to minimise material waste. Comes flatpacked to minimise packaging materials and to reduce its size for transport.

Note: Does not come with cordset or bulb. We can supply on request.

Dimensions Small: 420H x 310W x 370L
Large: 500H x 360W x 445L

Gross Weight Small: 1.3kg
Large: 1.5kg

Volume Small: 0.0048 CuMtr
Large: 0.0048 CuMtr

Features Available in natural, and special colours available on request (surcharge and minimum order quantities may apply).
Two sizes - small or large.

Made from architectural bamboo ply (FSC).

Designed and made in New Zealand.
