SCRUM ENGAGE

Designed by IQ Commercial

PLN GROUP

Today's agile teams come together using daily scrums to improve communications, eliminate unnecessary meetings, and highlight and promote quick decision-making. Our Scrum* range is designed to assist with five engaging settings:

About Scrum Engage is a collaboration space for up to 4 people that allows for meetings without the need to book a room. Engage includes an integrated table and seating, with the provision to incorporate a monitor mount plus integrated power supply.

Dimensions 2500L x 1500D x 1300H
450H Seat 720H Desk

Finnish Birch

Designed and made in New Zealand.

**The Scrum analogy compares high-performing, cross-functional teams to the scrum formation used by rugby teams. A daily scrum is a short meeting held each day where members work closely together to review progress, support and empower one another, and ultimately push forward towards a common goal. For more agile settings, view our other products in the Scrum Range.*
