SUGAR CHAIR

Designed by PLN Group

About

Offering understated luxury with a hint of 1920s elegance, the Sugar Chair brings a touch of glamour to any environment.

A fully rotating base adds to a 360 degree luxury seating experience. Rich visual texture is added through quilting.

An elegant partner for the Sugar Sofa.

Equally at home in both commercial and residential settings, this chair is the perfect complement to the upmarket lobby, office, home or hospitality setting.
